Attn: Donation Requests
P.O. Box 1490, Corbin, KY 40702

Pepsi Cola of Corbin has a long tradition of supporting activities in the communities where we live and work. We consider it a privilege to partner with organizations that are working through events to make our communities better. Due to the substantial number of donation requests that we receive and the time needed to process each request, we ask that the following donation request be submitted at least two weeks in advance of your event. Requests that are received after the two week lead time will automatically be denied. The request form will be reviewed by our team and if approved, your organization will be contacted so that the request can be fulfilled and arrangements be made for product pick up.

Please attach a description or flyer of your event on your company's letterhead along with the completed donation form. We look forward to partnering with you and thank you for your community involvement.
